## Hej!

Home is the most important place in the world! It's where you live your everyday life. Where you and your family eat, sleep, play or just relax watching TV. It's a unique place that you have created where you and your family can be yourselves.

In this year's catalog, on our website and in our stores you'll be able to enjoy lots of new, exciting ideas about how to create a home that is truly good to live in – every day.

Have a cup of coffee, curl up on the sofa and enjoy!
